Consultants Reimbursement Policies

Evaluators receive $200 for each applicant that they exam. (2 hours is the maximum time for each exam) Even if the Evaluators exceed the 2 hour time period, the DOH contracts only pay for 2 hours.

* If you examine two applicants/dentists at the same office, on the same scheduled date; the Evaluator can be compensated $200 for each applicant/dentist.
Consultant Reimbursement Policies

Evaluators are reimburse mileage at the current Department of Budget Management rate. Current rate is 53.5 cents per mile. If an Evaluator performs multiple exams (two or more applicants/dentists) at the same time, at the same office; you get mileage for the distance to the site... ... ... Not per applicant/dentist.

* If you examine two dentist at same location, 2300 Anywhere Street, where the mileage is 50 @ .535 equals $26.75 to be reimbursed. (Not $26.75 for each applicant.)

1. Recommend to pass
2. Recommend to pass with reservations (record reservations) – eg. no ACLS documentation
3. Recommend Failure (record deficits)

Maryland State Board of Dental Examiners

CALIBRATION EXAMINATION

20 - 30 MINUTES

30 Questions
1. At the beginning of your evaluation, the candidate responds that he/she does not treat children. Your response is:

a. You are required to be tested on children regardless
b. OK. We will inform the Dental Board accordingly
c. What is your definition of Child?
d. None of the above

2. Your candidate states that he/she did not have time to fulfill the ACLS requirement. His/her current certification just expired. You respond:

a. We are sorry, we can not evaluated you
b. OK. We do not need it for evaluation
c. OK. As long as you have the certificate before we submit our report to Anesthesia Committee
d. None of the above
3. What is the correct absorption rate of drugs?

a. IV – one minute  
b. Oral – 30-60 minutes  
c. sublingual – 3-5 minutes  
d. All the above

6. After you and your partner have finished your Evaluation, the Candidates asks, “Did I pass? Can you offer some advice?”

a. Tell the Candidate that you are not able to discuss any part of examination  
b. Tell the Candidate your opinion that he/she did passed or not; and offer suggestions  
c. Tell the Candidate to Contact the Dental Board where he or she can get copy of your report  
d. Tell Candidate that its illegal for he/she to ask
WOULD YOU TREAT THIS PATIENT? IF YES, HOW?

MARYLAND STATE BOARD OF DENTAL EXAMINERS

CALIBRATION TEST

REVIEW
SUMMARY

• Your task is to provide data, objective assessment and recommendations to the Board whether a candidate provides safe office-based anesthesia to the citizens of Maryland!

• Candidates should not be informed whether ‘YOU’ recommend - success or not.
• Applicants have ‘legal’ right to view the Evaluators comments!
• Consultants are advisors to the Dental Board.
• The Dental Board makes the decision whether candidates “passes” or “fails”
• As Consultants, you are charged with conducting evaluations of candidates in objective and fair manner so that all candidates are treated equally.
• Evaluations should be uniform for all candidates in respective Permit categories.
• Your written findings are reported to Board in objective and business-like manner

THANK YOU FOR PARTICIPATING!
